LENGTH OF PROGRAM

The average length of this competency-based program is 1296 hours (12 months). Actual time is dependent upon enrollment and length of time it takes students to achieve each competency. The individualized concept used in most of the training programs allows students to progress at their own learning rate. This program contains several completion points designed to prepare students for various entry-level jobs within the Millwright field.

ADMISSION REQUIREMENTS

This program operates on an open-entry, open-exit basis. Students may enter the program anytime during the school year, subject to space availability. Students must be at least 18 years old and not attending public school. However, high school students may attend through dual enrollment provided it is approved by their school counselor, the local school administrator and the technology center director.

APPLICATION PROCEDURES

Complete an application for admission. The application may be obtained at the main campus, 426 Highway 91, Elizabethton, between 7:30 a.m. and 4:30 p.m. Monday-Friday, Eastern Time, or online at www.ttcelizabethton.edu.
